

# OSAGE BEACH

## VISION ZERO ACTION PLAN

### PROJECT INFORMATION:

In 2023, the U.S. Department of Transportation (USDOT) awarded the City of Osage Beach a grant to develop a Safe Streets and Roads for All (SS4A) Action Plan. The Osage Beach Vision Zero Action Plan project has been in progress since fall 2025 and is now ready for public feedback. The draft plan identifies key safety corridors within the community and provides short and long-term recommendations to improve safety for residents, employees, and visitors to Osage Beach.
